Switchgear & Protection Devices

## THE TRIPPING MECHANISM OF MCB IS THERMAL MAGNETIC TYPE

Some of our special features are as follows:

- Plastic Body made from Special FR grade Virgin PBT.
- Bi-metal Inlay ( Copper plus Actual Silver Layer) for the tripping process.
- On - Off Indicator.
- Easy Mounting Feature.
- Heavy Duty Industrial Grade Changeovers.
- Heavy Duty Industrial Grade Earth Leakage Circuit Breakers.

## Your Safety is our Goal

CPL Protection Devices are made keeping just one thing in mind - SAFETY. This feature dominates our entire ethos while manufacturing our Miniature Circuit Breakers. While safety is important, we realize that a product must also have a certain ergonomic appeal as well, after all these products are made for people. Combining precise engineering, high quality raw material, and good design we have created a product that will ensure the protection your family deserves. Feel Safe with Our Protection Devices.

## ELCB/ RCCB - EARTH-LEAKAGE CIRCUIT BREAKER / RESIDUAL CURRENT CIRCUIT BREAKER

# DBs - DISTRIBUTION BOARDS

CPL **Distribution Boards** define simplicity, elegance and functionality. Designed to compliment the walls while making a style statement of its own. These DBs are made of high grade metal sheets that undergo anti rust smooth granular powder coating. Great care is taken to ensure that an even layer of powder coat is applied on the product to create the perfect aesthetic. "easy Locks" are provided for smooth functioning of the double door. "Bumpers" are given to ensure the edges of the DB never get damaged owing to wear & tear during use. Smooth colour combination ensures soothing feeling to the eyes and matches almost any wall/cabinet colour.

# Engineered for professionals

A hand in a blue suit sleeve points to a technical specification sheet for electrical components. The sheet includes the following information:

CODE	ITEM	PRICE
ISCHAMP	40A Isolator Four Pole	558.00
ISCHAMP	63A Isolator Four Pole	655.00
ISCHAMP	100A Isolator Four Pole	920.00
<b>CHANGEROVER</b>

## **Giving you our best**

CPL has been extending innovative technology and luxury experiences for more than four decades. It is of utmost importance to us that we deliver nothing but the best to our customers. To do so we only work with suppliers that share our commitment of maintaining high quality. That is why our association has always been with talented, creative designers who have a responsible attitude towards design. And that is why we carefully select our suppliers so that we can work closely with them and supervise the whole production affair.

To achieve a perfect balance between carefully selected raw materials, beautiful design, functionality and good value is our motto. Every little piece, detail, line and material has been meticulously considered to ensure that the end result will work wonders in your home.
